AMENDED IN ASSEMBLY MARCH 29, 2012

CALIFORNIA LEGISLATURE—2011–12 REGULAR SESSION

ASSEMBLY BILL

No. 1859

Introduced by Assembly Member Buchanan

February 22, 2012

An act to add Section 12001.7 to the Education Code, relating to school facilities.

LEGISLATIVE COUNSEL'S DIGEST

AB 1859, as amended, Buchanan. School facilities: charter schools.

Existing law assigns to the California School Finance Authority a specified amount of the state's 2010 federal tax credit bond volume cap for qualified school construction bonds, to be issued for the benefit of charter schools, or to be further assigned and distributed to one or more issuers in the state for the benefit of charter schools, as the California School Finance Authority determines. Existing law authorizes a charter school to apply for the federal qualified school construction bond volume cap if specified criteria are met.

This bill would require a charter school, if it applies for the federal qualified school construction bond volume cap, or any other federal bond borrowing authority, to notify, in writing and at least ~~45~~ 30 days before submitting the application, the district superintendent of schools and the governing board of the school district in which the charter school is physically located of its intent to rehabilitate, encumber, or otherwise alter school district property.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 12001.7 is added to the Education Code,
2 to read:
